# Paradise Falls 100th Anniversary 1922 – 2022

Events will kick off on Memorial Day, but our goal is to encompass 10 decades into the 10 weeks of our summer season (end of June through Labor Day). Our intention was to create ample opportunities for our members and friends to gather, reflect and celebrate the past 100 years.

## Schedule Information

Our committee has worked hard putting together a full list of events to cover the span of the summer season. However, dates/events are subject to change. The most updated information and additional details about each event (time, location, chair contact, etc.) can be found at PFLA.org.

While we would love to offer all of the events free of charge, there are events that require a set fee or donations to attend.

We will be starting the decade celebrations on Opening Weekend (June 24th) with the 1920's. Each week, we hope to pull in aspects from the corresponding decade such music, decorations, Friday Night movies, specials in the Tea Room, fun facts in the Spray and more.
