The Property Committee is holding the PFLA Work Day, Saturday May 22 from 9 a.m. to 12 p.m. Come to the Center with your gloves and rakes, work and share pizza on the beach with your fellow workers. We would like to know how many people will be participating so that we can plan the day and order the pizza. Andy and Russ Horn are collecting supplies for the tasks that can be accomplished in three hours. Please let [Russ Horn](#) know how many will be in your work group.

Be sure to visit the [PFLA website](#) and check out all of the latest news in the Members Only section. The calendar contains a lot of the events planned for the summer.

Thanks for your help.
