

## Recap from Board Meeting on April 10, 2021

### Property Committee:

- Township clean-up days are April 28-29! *If you are a senior citizen (over 65 or disabled), the township will come and pick up but you need to call them by April 22 at 570-595-9880 to schedule. This greatly helps the Association so please do this if you are able.* Andy and Chris will be picking up for others and taking loads on Thurs and Friday - call Andy if you have a pickup: 570-629-0442.
- PF Work Day is Saturday, May 22 (the weekend before Memorial Day weekend)
- The beach pavilion construction is underway.
- Sports Court revitalization funding has been reviewed by the Finance and Property committees and determined that there is capital budget this year to proceed. Thanks to both committees for this important work. Work should be scheduled soon and the hope is the new courts will be in place for this season. Tennis anyone?
- Trees were taken down by the tennis courts on Cranberry Creek Road and the wood is available for any members to take.

### Beach and Rec Updates

- The committee is working on putting decals on all of the boats and paddleboards that are for Association use and putting them in one rack where it will be easier to find them.
- Lifeguards are hired and schedules are being worked out.
- Yoga is being scheduled for the season - more soon as we get instructors.
- A Porta Potty will be delivered by Memorial Day.
- Liz is working with the Communications Committee to determine the best way to set up a calendar integrated with the website.

### Religious Activities

- Pastors are being scheduled for the season services.
- The survey went out to inform the committee and help with planning - please take it!

### Membership

- Angney membership for sale with interested parties looking.
- Munoz membership has a buyer and Judy expects to finalize the sale in May. Our thanks to Judy for her service to the board and her help with the Association.

- Acker membership - the Board voted to give the Ackers 30 days to sell their parents' membership or it will be in default. This is a result of many years of neglect and refusal to apply for membership. The Board is seeking legal help with this as well.

All other committees are busy planning for a great 2021 season and plans are well underway for the 100th Anniversary in 2022.

The next Board meeting is May 8th at 10 AM.
