## *Mish-Mosh Mash-Up*

**The Environmental Committee** has barberry on their minds. The **Bye Bye Barberry** contest will kick off with an informational session on July 3, near the end of the yard and bake sale. Ever worry about your well running dry? The Brodhead Watershed Association, in which PFLA is an active member, has a suggestion. BWA is holding an online rain barrel sale and will host an accompanying in-person workshop on July 31. The workshop will discuss what rain barrels do, how to assemble and install one, and the many uses of rainwater around the house. To learn more, [click here](#).

**Walk and Talk** is back! Meet at the Center, Monday through Friday at 9 a.m. for an easy-going walk. This is a great way to meet new members and catch up with old members. The route will be modified to accommodate participants' abilities.
