# HISTORY I - OUR BROCHURE PF STORY

This first History I binder uses our archive collection of brochures to tell the early story of Paradise Falls. They were originally written to advertise and inform PA, NJ, and NY Lutheran Church members about a guest and cottage resort forming in PA's Pocono Mts.

Today, these brochures (meant for church bulletin boards)

serve to also give us a word and picture tour of P.F.'s carly days. A lack of dates and reuse of old photos compromise some accuracy, but still provide a unique perspective on how a dream evolved into an appreciated reality

## THE HISTORY OF THE ASSOCIATION The Call

Some years ago one of our Philadelphia Lutheran laymen came to Paradise Township badly broken in health. The quiet, air and water of the mountains soon restored his vigor. He became enamoured with the section and purchased a number of tracts so that he had a 242 acre farm of woodland, open fields and stream. As he continued to enjoy the benefits of the mountain he longed to see his fellow churchmen sharing them so he spoke to Dr. Geo. W. Sandt, editor of The Lutheran offering land for the creation of a Lutheran Summer Colony if there was a desire on the part of the Church folk for such. Dr. Sandt made the announcement in an editorial on May 4, 1922 inviting correspondence from all interested.

#### The Response.

Several Lutherans from Philadelphia and New York responded. These met with Dr. Sandt and the owner of the farm at the farm. After viewing the ground they gladly accepted the offer and made plans for the creation of an association to take title to the land.

Another Call was made through The Lutheran. Twenty three Lutherans met at the farm on October 17, organized by electing officers and formally accepted the offer of the ground.

#### Our Aim.

The Association proposes incorporating as a nonprofit sharing corporation with membership open to Lutherans of all synods. This membership gives one a voice and vote at the annual meeting and a perpetual lease on a plot of ground 100x125 feet on which to construct a summer home. The membership may be assigned or sold to another Lutheran. enable Lutherans of moderate means to have summer homes in this beautiful, healthful region, of construction is lower here than in many places. A bungalo for summer use 28x30 feet with sixty feet of porch seven feet wide, a living room 12x14 feet, two 9x10 bedrooms, kitchen 8x10, bath and store rooms, can be built for from \$1500 to \$1700 depending upon the inside finish.

We hope that in time there will be homes for our missionaries, deaconesses and orphans to enjoy in the summer. There are also splendid sites for both boys' and girls' camps.

#### Cost of Membership.

A membership at this time costs but one Hundred dollars (\$100.00) payable in cash or in ten monthly installments of Ten Dollars (\$10.00) each. That is all one pays to get the choice of a lot 100 x125 feet. There will probably be annual dues of a very nominal sum to cover the taxes and other expenses. We hope to keep this within \$5 or \$10 a year and with the returns from the sale of bathing, boating and fishing privilages on the lake and the sale of ice together with the sale of sand and gravel from the large bank on the grounds we may be able to eliminate the dues entirely.

Our situation, 1500 feet above sea level, gives us pure air, cool breezes and glorious scenery. There is a profusion of lovely wild flowers and birds of many kinds nest here. Hunters will find plenty of game, both large and small, in these mountains.

#### Accessibility.

One of the best features of our place is its accessibility by rail road and highway. The main line of the D. L. & W. R. R. from New York to Scranton passes on our eastern boundary. A summer stop can be arranged. The nearest regular stop is Henry-ville Station, one mile south.

Paved and surfaced highways lead to this section from all directions running through some of the most scenic places of the east. The State Road from Stroudsburg to Paradise is our western boundary. It is well surfaced.

# 1924 - first bungalow built Cranberry Ck will be dammed for lake?!

# 10 Nestledown Bedrooms by Aug 1924

We are located within easy reach of a large Lutheran constinuency. The distance from the main cities are as follows: New York City, 94 miles; Albany, 155 miles; Scranton, 35 miles; Wilkes-barre (via the Trail) 54.5 miles; Mauch Chunk, 40 miles; Sunbury, 120 miles; Bethlehem, 41 miles; Allentown, 46 miles; Reading, 81.9 miles; Lebanon, 109.7 miles; Harrisburg, 134 miles; Lancaster, 116.1 miles; York, 134.9 miles; Easton, 44.5 miles; Philadelphia, 100 miles; Baltimore, 199.6 miles.

#### Your Opportunity

The possibilities of this colony are beyond mere words. We have ground enough for over eight hundred members and room for unlimited expansion. In every congregation of the larger towns and cities there are Lutherans who will be glad for this opportunity for a summer place amid such natural glories and with those of congenial spirits. Will you help establish this Lutheran resort and playground? Even if you have a summer home elsewhere enroll as a member and help boost this development.

We have been soliciting membership since May 1924 and already there is a splendid response, new names being enrolled weekly. Among this number are such leaders of the Church as Dr. F. H. Knubel, President of the U. L. C.; Dr. W. H. Stutts, Brooklyn, N. Y.; Rev. Ivan Heft, North Bellmore, L. I.; Rev. Wm. L. Katz, Yonkers, N. Y.; Rev. Carl H. Miller, Freeport, N. Y., Rev. Robert H. Ischinger, Allentown, Pa., and Dr. A. Pohlman, Philadelphia, Pa.

#### CHOICE OF LOT

Members are entitled to their choice of lot according to their numerical position on the roster. The owner of the farm who gave us of his ground has a 5000 gallon reservoir supplied by a 200 ft. well. The reservoir is higher than our adjacent ground some of which is cleared and some wooded. He has given us the privilege of tapping his reservoir to pipe water to the bungalos.

The ground so situated will soon be laid off in plots and members will take their choice according to number. We plan laying the mains to this section either this fall or next spring.

The first bungalo will be built this year and several more members plan to follow suit. What will you do? Come in now when the membership fee will mean so much in getting the development under way and when you have the choice of lots.

#### THE GROUNDS

We have over 300 acres of hills and valley situated 1500 feet above sea level in Paradise Valley along the State Road, ten miles north of Stroudsburg, Monroe County, Pennsylvania. One of the best trout breeding streams-the Cranberry Creek-flows through the grounds for about one and one-quarter miles. This flows through a flat basin with steep hills on either side offering a splendid site for a lake of from 15 to 25 acres by costructing a dam 14 feet high. Thiswill be stocked with fish from the hatchery nearby. Members will have free access to bathing, boating and fishing, but a charge will be made to others. A large, unfailing spring will furnish water which will be pumped to high ground above it and piped from there to the cottages. An overshot wheel at the dam will furnish power for generating electricity at a low rate.

#### ACCOMMODATIONS

The Secretary is summering on the grounds and will be glad to show interested parties about. He will provide conveyence to and from the grounds for any coming by rail to the Henryville Station. Make arrangements several days in advance by writing him at Cresco, Pa., R. F. D.

There are hotels and boarding houses within a mile of the grounds but in order that thosse interested may spend some time seeing the place we are converting a large barn on the grounds into a Community House. This will have nineteen bed rooms 9x12 ft. with large, screened casement windows, a launging hall 15x30 ft., two large porches, a cold storage room for food 8x30 ft., a common dining room 19x33 ft., and a kitchen 16x28 ft. which will be divided into kitchenettes; and two garages with a capacity for four cars. The House will be furnished comfortably for summer.

We will rent one or more bed rooms to a family or party at \$5 per room for two per week or \$1 per room for two per day. This gives them a kitchenette equipped with oil stove, cooking utensils and a set of dishes with the use of a family table in the common dining hall, and free use of garage space.

We will have ten bed rooms ready by August 1924. Those desiring to run up to see the grounds will find the House very convenient. Those desiring a healthful vacation will find it delightful. Milk can be had for 10 cents per quart and the butcher, baker and huckster will stop at the House from three to six times per week. Come to the hills and enjoy the summer.

Any further information will be gladly furnished by the officers of the Association. member names

# Merry Christmas and a New Year Full of Happiness and Prosperity

We also take pleasure in thanking all members and friends who helped make the 1927 season at Paradise Falls so successful.

We are glad to report many improvements made during the season. Ten new houses were erected by the members, making a total of twenty-one. Four new buildings were constructed by the Association and one remodeled, making a total of thirty-six buildings owned by the Association in addition to the twenty-one homes of the members.

Social Hall, with an assembly room accommodating 200 and a commodious porch facing the state highway, added a most enjoyable feature to the colony's life.

A 141-foot well was drilled and supplies most excellent water; roads and water mains were added, too; two attractive and strong bridges were thrown across the creek above and below the Falls; two farms were purchased (one for a golf course adjoining the hotel hill), which gives us a tract of 550 acres, on which are three excellent trout streams.

Work has been started on the lake and plans are being perfected for the construction of a modern, fireproof hotel.

We wish to announce that the Membership Fee will be advanced to two hundred and fifty dollars (\$250.00) on January 1, 1928. Those interested in membership may get full information from

Well, you surely did take off your hats to us when we made our appearance. Cards and letters came, telling of your pleasure and appreciation. We return the compliment and bow low in acknowledgment of all kindness shown. We hope this cordial relation will continue and that it will be our privilege to spray you with news of Paradise Falls for many years.

And we received more than kind wishes. Within a few days we were offered a cabinet organ by Mrs. S. Louise Steinback, 2327 North College Avenue, Philadelphia, one of our members. Later, another was offered, but we have use for but one.

We also wish to gratefully acknowledge the gift of fifteen volumes of "The Geographic Magazine." The donor is Mr. Carl F. Haussman, 6348 Ross Street, Philadelphia. These have been bound in attractive volumes for our library.

And we also say "Thanks" to Miss Nora Ohl, 826 South St. Bernard Street, Philadelphia, for a copy of "Indiancraft," by Earnest Thompson Seton, and to Miss Letitia Jeffries, 1130 Divinity Place, Philadelphia, for five volumes of fiction.

Ten volumes of fiction have been purchased with the money received last summer from the rental of books to guests.

It is needless to say that we are ever ready to receive all interesting books for the library.

Mrs. S. M. Fleming, 5922 Thompson Street, Philadelphia, offered us a good organ after we had our needs fulfilled.

Mrs. Anna L. Wood, 725 Butler Street, Philadelphia, has given us a square grand Steinway piano, in excellent condition, for our Social Hall. For all of this we are grateful and only await the opportunity to say the same for a radio. No. You are not too late.

#### An Announcement

On a lofty hill not far from the Falls there will soon be built a fine hotel at a cost of about a quarter of a million dollars. It will be equipped with every modern convenience. The Hotel Association will soon be ready to sell stock for the purpose.

For those who do not wish to build separate homes here will be an opportunity to spend as much of the summer as they choose in a location as fine and amid scenery as grand as any in the Pocono Mountains.

From this hill and from various others the scenery is magnificent. Here is Nature in all her primeval beauty and grandeur. One can stroll among the giant timbers, or gather flowers along the grassy hillside. Here, far from the crowded city, with its hurrying thousands, its dust and noise and turmoil, one can breathe the pure air and enjoy the sense of freedom known to the early pioneers. The lover of Nature can study the wild flowers and the wild birds.

The scenery is inspiring and grand. The landscape slopes away on every side to the distant blue line of the horizon. The green valleys with their rushing crystal streams, the sunny sloping hill-sides, the mountains, lying along the horizon like sleeping giants, bearing immense forests and blending at last with the sky in the distant haze—all these pre-

sent a picture to the beholder not soon to be forgotten.

Would you study the stars, here is the opportunity. Away from the obstructing buildings and glaring lights of the city, the dome of the sky embraces you in elemental grandeur. Here you may study Arcturus and the Pleiades, the bands of Orion and the thousands of glowing orbs that bespangle the night sky—and the words of the Psalmist will swell within your soul, "Great and marvelous are thy works, Lord God Almighty!"

#### Summer Activities at Paradise Falls

Social Hall was a lively place during the summer season. Besides the morning and evening services on Sundays the following events were held there:

Two Masked Parties were enjoyed, one at the beginning and one at the end of the season with about fifty in costumes pretty, unique and grotesque. Stately women over six feet tall paraded with winking eyebrows and haughty lorgnette, the Gold Dust Twins and other characters from the advertising page, Maude Muller, Topsy, Tom Sawyer and Huck Finn and other celebrities from literature were there. Yeh, rain a min. Rain every day for the last month but twentynine. But even at that it was a pretty good rain Thursday night.
Just as soon as Eddy Tore runs the world we'll have rain every night
between 12 and 3. Then it will be clear every day and we'll still
have enough rain to make a SPRINKLE.

Lucky Ladies? It looks very much as if Red Rock Falls trip must come off the list. The owner has rather forcefully refused us permission to visit that beauty spot any longer. Mr. Amon has made several overtures to the owner but without avail. Even money doesn't seem to tempt him. Let's all get together and buy the place. Come on.

We very nearly had a moonlight hay ride, didn't we. But then the marshmallow roast was hot anyhow.

That Monday Night Mixer was rather mixed, wasn't it. All varieties in one show. The mind reader and the string tricks at least had us on our toes (we couldn't see otherwise). We sure have enough talent on the grounds to make Oscar Hemmerstein and Zeigfield Fellies green-eyed with envy. And then that soul-touching proposal scene in the sketch--and Heraldine's snore reminded one of the eruption of Mt. Vesuvius.

A great line ofmovies again Saturday night -- including Krazy-Katz.

Then we'll try another MONDAY NIGHT MIXER next week. Volunteer talent come forth--don't be bashful.

A very pleasant Children's Party occurred in Social Hall Friday afternoon. Miss Rooth was the kindly hostess.

Sign up early for the various bus trips next week. The bus works every day and trips can be arranged for groups of 6 or 7 to any point within 40 miles.

We hope ore long to add Playground equipment for the smaller children. A delightful spot in the grove toward the Falls has been selected for these additions.

The rain Thursday night saved us from DRASTIC WATER CONSERVATION, but we must continue to be careful in our use of water in all buildings.

#### ENTERTAINMENT AND RECREATION

The recreation possibilities are unlimited. Twice a week sound pictures bring you the latest in the movie world; weekly parties, lectures, musicals and social gatherings help to pass the time away. Nature study hikes, picnic hikes, sightseeing hikes, strawrides, bus trips to points of interest in the Poconos, doggie roasts, tennis tournaments, shuffle board tournaments, swimming, boating, fishing, horseback riding, all help to take you out into the open sunshine for health and pleasure.

#### CHRISTIAN ENVIRONMENT

The personnel of the Association with whom you will come into contact as a member or guest of the Association includes doctors, lawyers, business men, ministers, teachers of our public schools and colleges, authors, architects, musicians, men and women of many different walks of life who are desirous of spending their summers in a Christian environment congenial for themselves and satisfactory for their children. Regardless of your age or your interests in life, you can find a kindred soul at Paradise Falls.

#### MEMBERSHIP COSTS

All of these advantages can be had at a small cost and with a minimum of responsibility. Most memberships are sold at \$500, but a limited number carrying with them the privilege of selecting a location on the shores of Lake Crawford in the center of the reservation, are quoted at \$500. Memberships costing \$300 carry with them the privilege of selecting any unselected lot anywhere on the grounds of the Association except on the shores of Lake Crawford. Annual membership dues are \$10.00, water rent \$6.00, rubbish collection fee \$4.00, and road maintenance fee \$1.50. These are the only stated charges. The taxes collected by the county are very reasonable and are controlled in amount by the value of your cottage. Insurance rates vary also with the value and type of your cottage but are the uniform rates of the standard companies. As to the cost of the cottage, there are no stipulations except that a sketch of the building and description of the same must receive the approval of the Buildings and Grounds Committee before the builder is given permission to begin construction. In the past, the cost of construction of representative cottages has ranged from \$1,800 to \$10,000. When necessary, small assessments are levied.

If you are interested in the promotion of a most desirable Christian summer resort, visit the grounds where courteous guides will meet you and enable you to see for yourself the many advantages of membership, or write for further information to The Paradise Falls Lutheran Association, Paradise Falls, Cresco, Pennsylvania.

Lake Crawford in the heart of Paradise Falls

# Paradise Falls Lutheran Association

In 1922 a group of Lutherans interested in the establishment of a summer colony with a Christian background and environment in the Pocono Mountains of Pennsylvania organized the Paradise Falls Lutheran Association, a non-profit sharing corporation. To preserve its original intent, membership is restricted to persons who are members in good standing in the Lutheran Church. Applications for membership must be signed by the paster of the congregation to which the applicant belongs.

The Paradise Falls reservation covers more than 700 acres of forest and meadow. Two fine trout streams and a large ten-acre lake furnish ample facilities for good fishing, bathing and boating. The waters of Paradise Creek, plunging over a rocky shelf, form one of the most scenic falls in the Poconos. These falls are the mecca of hundreds of sightseers and picnickers each season.

#### A GROWING RESORT

Among the many improvements on the grounds are more than sixty cottages owned by members of the Association; the well-known Paradise Falls Girls Camp, which limits its camp personnel to 75 carefully selected campers; the Falls picnic grounds and pavilion; twelve Association buildings including the Coffee Shop for transients and cottagers, Nestledown Inn with its splendid rustic dining room and living quarters for guests; Social Hall for recreation purposes; four dormitories for guests; Gate Lodge, the business center; and the Store where choicest of foods can be purchased at reasonable rates. Tennis courts, shuffle boards, and fine trails for hiking contribute to make Paradise Falls an ideal vacation resort.

#### WATER AND ELECTRICITY

All cottages are supplied with water from an artesian well owned and operated by the Association. Electric power at reasonable rates is supplied to all cottages by the Pennsylvania Power and Light Company. Dealers in meats and green goods, ice men and milk men call on cottagers regularly, making it unnecessary to leave the grounds for supplies. The Association supplies collection service for the removal of garbage and rubbish. Association buses furnish transportation at a nominal cost to a nearby city for shopping purposes. Regular daily mail delivery and newspapers from the metropolitan centers keep you in touch with the world at large.

#### MEMBERSHIP PRIVILEGES

Membership entitles you to the privilege of selecting a plot of ground 100 x 125 feet for the site of your cottage. This plot of ground is assigned to your membership in perpetuity or as long as you are a member in good standing. # An Association with a Purpose PARADISE FALLS

Nestled in the Poconos

In 1922 a group of Lutherans interested in the establishment of a summer colony with a wholesome Christian background and environment organized the Paradise Falls Lutheran Association in the Pocono Mountains of Pennsylvania. Its guest lists include Christians of all of the denominations, who enjoy its good fellowship, healthy environment, wholesome tone, and religious auspices. Membership entitling a member to a 100 x 125 lot for use for building of a private cottage, is limited by its Charter to members in good standing in a Lutheran Church. Sixty-five private cottages have been erected on the grounds. Some of these are rented each year to guests, through the Association.

Paradise Falls has a summer post office, a ticket office and stop for the Greyhound Bus, a grocery store, a coffee shop, a gift shop, and its own dining facilities. Paradise Falls Girls' Camp of 70 girls of six to sixteen is under very able leadership. Lake Crawford is a private lake for boating and swimming.

To be a member of Paradise Falls Lutheran Association and own one of 87 cottages, you will share in 425 acres of woodlands, trout stream, lake and wildlife to help you relax and feel good.

You can fish in Crawford Lake or in Paradise Stream where many hungry trout are waiting. Or you can stroll along shaded paths spotting birds, searching for wild flowers, or harmonizing with the soft babble of the stream.

When you invest in a membership and cottage at Paradise Falls Lutheran Association, you are acquiring much more than four walls, a roof and a fireplace in the Poconos.

You are investing in a community of fellow Lutherans who for more than 60 years have preserved a retreat from the woes of urban living.

Some have chosen to retire to the peace and beauty of Paradise Falls.

There is a rumor that the air and water of Paradise extends one's life.

The Invitation

We welcome you to visit Paradise Falls and see for yourself what is here. The peak of PF's scheduled activities runs from the last weekend in June through Labor Day and includes church services, ice cream parlor, and lifeguard at the lake. You may take an accompanied tour of the grounds during any of the beautiful seasons of the year. In Spring, the woodland flowers bloom in profusion. Autumn provides a spectacular rush of reds and oranges across the lake and up the mountain. During the Winter, our frequent snows glisten and sparkle through the trees. PF also is near several well-known ski slopes with their varied opportunities.

So... stop by... get to know us. Consider a commitment to PFLA as the retreat of choice from today's hectic pace.

There is something for everyone... a placid lake, babbling stream, picturesque waterfalls, and quiet woodland paths can all be private places for time to be alone. It provides the perfect setting to renew old friendships... gather with family. Or, swim in the cooling lake during the hot months of summer, enjoy tennis, volleyball, hiking, or shuffleboard. During our summer "season" a more complete program is announced in the weekly SPRAY.

First and foremost, this is a Lutheran community. Church services are held throughout the summer. There are also study groups led by the week's visiting clergy and others. The end of the season hymn sing, candlelight walk to the lake, and closing service on the beach are special moments to treasure.

If you are a Lutheran in good standing at your local congregation, you may contact PFLA's Membership Committee and initiate the application process. A Membership Certificate is issued upon approval by the Board of Directors and receipt of the established entry fee. You are subsequently entitled to use the lot and all the Association's facilities, and own the cottage on the lot you have chosen from those currently available.
