- June 26: Annual Meeting
Hoagie Pick-up
Annual Picnic

To see what else is coming up check the [PFLA calendar here](#).

Religious Activities

We will continue to have worship on the beach on Sunday, June 20th. This

service will be an American hymn sing, with music led by Bruce McNeel and Mariana Eckardt of the Germantown section of Philadelphia, PA. Bruce and Mariana have been friends with Nancy and Bill Tkacs for many years. Both Bruce and Mariana are musicians and artists. Bruce is a graphic artist and director of publications at First United Methodist Church of Germantown. Mariana is a retired art teacher from Upper Dublin High School. They have shared their musical talents in a variety of venues, with a particular focus on Americana.

Thank you to all who came to worship on the beach on Sunday. Special thanks to Paul Beck for putting the service together, to Chris Matthy for playing guitar to accompany the hymns, and to Kristy for hosting fellowship time on her porch.

Next week, we will return to the Social Hall for worship led by Doug Eschbach, followed by fellowship time.

For more information about religious activities [visit us here](#).

From the President

This was a difficult week for our PFLA community.

Ruth Ziedonis was injured in a three-wheel motorcycle accident and suffered broken ribs, a sprained ankle and multiple contusions. She was treated and released from the hospital. Ruth was wearing a helmet which probably saved her life. Her companion was medivacked to a local hospital where he succumbed to his injuries. Please add Ruth to your prayers.

Our prayers for the Olson family continue as they work through the loss of their cottage. As information becomes available we will let you know.

Kristy

Reminder: [Proxies](#) for members unable to attend the Annual Meeting are due to Carole Stumpf Friday, June 19. *PFLA Board*

Beach and Recreation

Our Fishing Competition closes this week. To make sure you know all there is to know about it [click here](#).

Don't forget to order hoagies and make reservations for the Annual Picnic. [Click here for reservations](#).

A shout out to Carl and Beth Reindl who were very generous and made a kitchen play table for the kids at the beach. Carl donated his time, money and effort to build the cutest little kitchen for the kids in our community to use. Kristen Olson donated a bunch of kitchen items and Mary Long attached a little logo. Thanks to all of you for making PF a fun place for our families.

100th Anniversary

The Anniversary Committee will be holding a fund-raising bake sale as part of the July 4 weekend activities. Stay tuned for how you can help and enjoy the tasty treats offered by our talented bakers, knowing that each bite is for a good cause.

Mish-Mosh Mash-Up

The PFLA Bier Club is inviting all adults to join them in their tasting events. The first one this year is scheduled June 19, and the theme is "Pigs and Fish". [Click here](#) to learn more about the club and its activities for the rest of the season.

Don't forget to check the [Bulletin Board](#) to see who needs help, who is offering help, who has what and what someone found interesting.

Meet the Members

Have you missed seeing our post cards on new members or want a refresher from last year? Check out the [Welcome New Members](#) section of the website.
