Happy Birthday to Inge Dittmer

Thank you for all the warm wishes for Inge Dittmer's 99th birthday. She had a wonderful birthday surrounded by her family. To all the members, she says, "Thank you for all your greetings — I miss Paradise Falls and wish I could be there with you all!"

The Beauty of PFLA

Paradise Falls is holy ground; its God-given natural beauty will continue to surround us and nurture us, offering hope, even in this time of deepest grief.

Etc.

Walk and Talk: Meet at the Center at 9 a.m.—Monday through Friday, all summer long—to enjoy some exercise and conversation.

Ticks: Don't forget to be thorough about tick checks as you're enjoying the great outdoors at PFLA—the ticks are biting, and Lyme cases in Pennsylvania are reportedly high.

The Spray will continue to be emailed every Friday until the end of the season (final issue will be September 1).
