PFLA Board Meeting Recap

November 13, 2021

We had our regular board meeting on Saturday, November 13. Here are the highlights:

Membership Changes

- The Acker Membership has been sold to the Oro-Hahn family. We welcome Kevin and Tonia and their family to PFLA!
- The Tom Evans Membership has been sold to Mike Macksoud. Mike is selling his cottage on the hill and will list it at \$149,000.
- The Ehrig Membership is for sale for \$69,900.

Christmas Dinner and Concert to benefit Meals on Wheels will be on December 4 at 5 p.m. (note the new time). [The flyer is attached.](#)

The Hunter Safety Meeting for the opening of firearms deer season will be Friday, November 26th, 7 p.m. in the Tearoom. All Members and their guests who intend to hunt must attend this meeting. Failure

to do so will result in being reported to the Board as a hunting violation offense; a second hunting violation will result in that Membership's hunting privileges being revoked.

We continue to have issues with **Members who do not submit the [form for Unaccompanied Guests](#)** when they have people stay who are not on the membership without a Member present. The Board will send out warning letters to Members who are not compliant and will enforce the fines defined in the Rules and Regulations if non-compliance continues.

A new task force, called the **PFLA Governing Document Task Force**, was approved. It will focus on a thorough review of our governing documents to ensure we are compliant with current laws and that we have an efficient and effective process for creating an archive of resolutions and major decisions as they are made. It will be led by Carol Ashton-Hergenhan

The Property Committee will be putting together a **task force to plan for Andy's retirement at the end of 2022, and the plans for the Gate Lodge apartment.**

The Board wishes all at PFLA a very happy Thanksgiving.

Kristy
