To see what else is coming up check the [PFLA calendar here](#).

Robert Ehrig

At the time we learned of the passing of member Robert “Robin” Ehrig, no funeral arrangements had been made. Funeral services will be private. If you wish to learn more, you can visit Hartman Funeral Home [here](#). Member Don Gauger penned some thoughts of Rob which can be found in the Remembrances section of our website , which you can access [here](#).

Religious Activities

PFLA's Reverend Bob Linders returns to lead us in morning worship and communion for our closing weekend. Fellowship time will follow the service.

At 7 p.m., we convene at Social Hall for a hymn sing with Linda Beck and David Zimmerman.

Following the hymn sing we will begin our traditional candlelight procession to the beach for a closing ceremony and launching of candles. Our own Reverend Chris Matthy will lead the ceremony, which marks the conclusion of scheduled religious activities for the 2021 season.

Tea Room

Something new on Closing Sunday! Our Tea Room closing extravaganza will be held Sunday September 5 at 2 p.m. Stop by on your way to the beach for a make-it-yourself, grab-and-go sundae. CASH DONATIONS only, (no tabs). Supply is limited and when we run out, we will close for the season.

We hope to see you there!

Beach & Recreation

Pickle Ball 101 on September 4, 9 a.m.! If yoga is not for you, join Bill Simolike for a pickle ball clinic on the new courts for ages 10 and up. Wear sneakers. All equipment will be provided. No experience necessary.

Walk and Talk ends its weekly schedule on Friday, September 3.

Yoga will continue for the remaining Saturdays in September.

Oktoberfest is Coming! Oktoberfest will be held on September 25. To learn more and RSVP to Kristen Olson (by September 11), [click here](#). Since we put on Oktoberfest for ourselves, we all need to be involved. Check out the [volunteer opportunities here](#) and let [Kristen](#) know what you can do to help.

100th Anniversary

This is your last chance (this year) to get your PFLA photo note cards—in the Tea Room through Sunday. Just \$3/card; all sales benefit the 100th Anniversary Fund.

Add to your collection! This year's Christmas Ornament is now available for order online: [order form](#). Forms are also available in the Tea Room.

Brenda Lange is working on compiling memories and photos for the 100th

Anniversary Book and is especially interested in items from the last 25 years. Anyone with something to share may contact her at brenda@brendalange.com by Sept. 11, please.

Mish-Mosh Mash-Up

Bye-Bye Barberry has started! The Environmental Committee's year-long contest has started. Now that the cooler weather is coming, it's time to remove these invasive shrubs that overwinter ticks. Committee members Kurt Zeisler and Ann Foster will be conducting a **removal demonstration at the Sports Courts on September 4** following Pickleball 101. Do you need the contest rules? [Click here](#) for a complete package of information.

The Hunting and Fishing Committee is hosting the September 15 meeting of Brodhead Trout Unlimited. The meeting will be held at the Beach Pavilion, and in case of rain, it will move to Social Hall. All PF members are invited to attend. To learn more about our local chapter of Trout Unlimited, [click here](#).

The Communications Committee wants to know your preferred means of receiving our messages. We will continue to share PFLA news/information through *The Spray*, special emails and of course, on the website (www.PFLA.org). We are also looking into alternative means — A special app? Texts? Something else? Please send your ideas to brenda@brendalange.com, and if you are interested in helping us carry out those ideas, even better! Let us know ...

Remember to visit www.PFLA.org often. Updates have been done throughout the summer, and will be the place to learn more about next year's 100th Anniversary celebration. The committee is hard at work planning events to involve the entire community throughout the summer of 2022 ... hint: Each of the season's 10 weeks will offer something fun from each of PFLA's 10 decades! (If you have forgotten the password for the member section, email PFLAinfo@yahoo.com and

then write it down somewhere!)

The end of the season means The Spray goes on hiatus until next year's season begins. We will continue to send regular updates and timely announcements through email, Facebook and the website. Don't forget to check the [Bulletin Board](#) to see who needs help, who is offering help, who has what and what someone found interesting.
